In this case Mr Sitarama Chari is a
Sub Asst Engineer whose ordinary jurisdiction
as Supdt Vaidik works extends over
includes Mysore & Seringapatam Taluqs. When
he travels on duty to Bangalore it beyond
his jurisdiction, the question is whether
article 572 or 573 should apply. The Comp
says the former applies to the C.E the latter

The C. S. wants T.A. to be given under 573.
(Even tho' D.A. may be Excluded) - In the
G.O. of ~~10~~ 17.3.09, there is no mention
made at all of the circumstances
under which article 573 should be
applied - ~~the~~ ^{are} the conditions of

The G.O. may be analysed thus with regard to
exchange of T.A.

I class { (a) all officers Except Sub An Lt Eng.

they are not to get Pert. T.A.
(b) Sub An Lt Eng. S. Conversion

allowed only under article 572 (apparently
in view of the fact that they are
specially granted Pert. T.A. which is
strictly speaking inadmissible).

II class. Nothing is said about conversion.
~~It would be I think - I do not think~~

- the intention apparently being that
once the question of jurisdiction has been
settled either article 572 or 573 may
apply as the case maybe. My own idea
about these two articles is as follows: -

In all cases of journey outside jurisdiction
article 573 applies as a matter of course.
But in the special case of people who have
got a very wide jurisdiction extending beyond
the limits of one district, a lower rate of

actual exp^y exceeds Double permit - T. a. This is
given not as a matter of course but
under the Special or General orders of the
Thus I think that article 572 is meant for
Special cases of journeys within jurisdiction while
article 573 applies as a matter of course in all
journeys outside jurisdiction - If this
view is correct it will be necessary to
make the G.O. of 1909 clear in the case of
2nd class officers by saying that both articles 572
and 573 are applicable to them
in class. No question of applying article 573
but under different circumstances
applies in their case - So their case is
governed by 572
In the particular case, assuming that he is
an officer of the 2nd class, article 573 seems
to apply -

6. The wording of the order of 17-3-09 is
not satisfactory.

7. Which Sub-Ass^t Engineers draw p.t. a. under
para 2 of that order? I take it that only
a Sub-Ass^t Engineer when he is placed in one
of the charges 3, 4, 9, 10 & 12 draws p.t. a.
& no other.

8. If so there is good reason for depriving

of the benefits of art 5-73 altogether for they are given p.t.a. as a concession when they are not entitled to it.

9 Similarly the second class includes only items 1, 5, 7 & 8 of the list. Is the present case with reference to one of these four appointments? I do not find the list referred to in the first order will Art^d Jey get the list & clear up this point? If the present case relates to one of the four appointments 1, 5, 7 & 8 then there is much force ^{in the contention} for applying Art 5-73 m.s.R for journeys beyond jurisdiction. The p.t.a. in this case is not a matter of concession & unless first definitely rule (which they have not & which on reconsideration I think they need not) that art 5-72 will ^{invariably} apply in these cases also, art 5-73 will apply for journeys beyond jurisdiction.

10 A revised draft maybe put up after clearing up the above point.

Offg: Comptroller to the Government

of His Highness the Maharaja of Mysore,

Public Works and Railway Branch.

To

The Secretary to the Government of

His Highness the Maharaja of Mysore,

Financial Department.

Sir,

Adverting to Government Order No.F1:4193-5/
S&A.394-06-14 dated 17th March 1909 dividing into
3 classes the cases of officers in P.W.D in receipt
of permanent monthly allowances and issuing instruc-
tions generally in the matter of exchange of such al-
lowances for other allowances, I have the honor to
state that, while Government have explicitly stated
that article 572 should be applied in permitting the
exchange in the cases of officers of the 1st and (2nd)
classes having jurisdiction at a particular place or
throughout the Province respectively, they do not
specify the rule for regulating exchange in the case
of officers of the second class. Mr.B.SeetharamaChar
Sub Assistant Engineer employed as Superintendent of
Vani Vilas Water Works having jurisdiction at Mysore
and Belagala in the Mysore Seringapatam Taluks, travel-
led on duty to Bangalore in November 1911 and claimed
ordinary travelling allowance for the journeys and
halts at the latter place. The claim for Daily allow-
ance was disallowed by this office applying to the

2nd.

case article 572 which is the general rule under which exchange is permitted in the above Government Order. The Executive Engineer, Water Supply and Stores Division, under whom the officer is working contends that Mr. Seetharama Char's case comes under the 2nd Class of officers and that as article 572 is not expressly mentioned in the Government Order in regard to officers of this class, article 573 should be applied. Even if no daily allowance is allowed under article 573 on which aspect of the application of this rule a separate reference has been made in my letter No. 2596/2822 dated 8th Instant, the application of the said article to the case is more advantageous than article 572 under which mileage or railway fare admissible is diminished by the permanent monthly allowance. I beg, therefore, to enquire what rule should be applied in regard to cases of this kind falling under the 2nd Class of officers enumerated in the Government Order of 17th March 1909. It may be noted that strictly speaking even cases coming under Clause I do not ^{comply with} ~~fall under~~ the condition specified in article 572 Mysore Service Regulations in regard to the circle of duty extending beyond a single District; and notwithstanding this fact the rule contained in article 572 has been directed to be applied to cases of this class also and it would appear from this that it is the intention of Government that article 572 should govern all cases of exchange contemplated in the Government Order under reference.

I have the honor to be,

Sir,
